"A STILL NOBILITY"

The great response of Canada which resulted in more than 100,000 servicemen dying in defence of freedom is represented in this group of figures surging through the granite arch of the National War Memorial at Ottawa. Upon their bronze faces the eager expression of hope replaces the times of strife and death. When Canadians everywhere pay silent homage November 11th, it will be in tribute to those soldiers, sailors, airmen, and other workers who make up the long list of Canada's war dead.

WANTED ADULTS

An interesting and challenging assignment awaits some adults in Griesbach preferably a husband and wife team who would like to assist at Teen-Town in planning and supervising programmed teen activities.

Enthusiastic volunteers in other communities have offered a helping hand to teens in their programmed activities, and now the Griesbach Council desires to hear from a married couple or an individual who would be willing to devote some spare time in this rewarding endeavor.

The Griesbach Young Peoples Association is well organized and has its own committee, its own constitution, and its own teen-town lounge, operating under an adult advisory committee. Maple Leaf Services provides a sundries outlet. What is needed to put these facilities to a useful purpose is planned activities.

A few appropriate programmed activities worthy of consideration are talent shows, variety entertainment productions, light dramatic plays, discussions or debates with other groups, physical recreation and sports, to name a few.

Actually teen-agers are an intelligent and delightful group to work with, and we are proud of our young teen adults in Griesbach.

Now, they need a boost, sort of an understanding big brother and sister to help them.

Will you volunteer?

YOUNG CANADA'S BOOK WEEK

NOVEMBER 15 - 22

This is the fifteenth year that the Canadian Library Association has sponsored "Young Canada's Book Week" to emphasize quality reading for children.

The Griesbach Community Library is participating in the objectives of this special week "To bring more and better books to more Canadian children, and to stress the need for good library service to boys and girls throughout Canada".

An interesting excerpt from a message of Dr. John B. Macdonald, President, University of British Columbia, and patron of the Canadian Library Association is repeated below:

"In a world where the work week is ever-shortening, and where leisure presents an ever-broadening opportunity, adults need books to keep them sane. Only if they have come to know the pleasure inherent in good books in childhood, are they likely to turn to them for refreshment, inspiration and enjoyment in adult life. Therefore, during Young Canada's Book Week, let us rededicate ourselves to opening new doors to the world of books for all children in this country."

Letters

to the Editor

Letters to the Editor containing opinions on any subject of general interest to the community are always welcome. Letters MUST be signed by the writer, with address and telephone number. If desired, a pen-name will be used when published.

The Editor reserves the right to edit or condense all letters. Unsigned letters WILL NOT be considered for publication.

GRIESBACH COUNCIL BRIEFS

70 swimmers have registered for the Red Cross Water Safety and Learn to Swim programme. This is at present restricted to children, however, the programme will be extended to adults. See announcement elsewhere in this issue.

YOUNG CANADA'S BOOK WEEK

November 15 — 22

Have you ever stopped to think what it would be like to live in a world without books? Do you realize that in our so-called modern world there are still millions of people who have never seen a book? In Canada, where so many things are served up on a platter, we are too inclined to take books for granted. The aim of "Young Canada's Book Week" is to create an awareness of the value of books in education and entertainment and, in the long run, to assist our children in whatever careers they may choose. In our Community Library the young people of Griesbach are our most numerous and welcomed members; there are, however, still many more youngsters in the community who are eligible for membership. If the young people in your family are not already members, you should make arrangements to have them join immediately.

AMNESTY — OVERDUE BOOKS

Currently there are nearly 100 books overdue at the library, having a replacement value of over \$200.00 or approximately one-fifth off the total annual library budget. The library is not a money-making organization and fines charged for overdue books serve only as a deterrent to tardiness and forgetfulness. Therefore, during the first two weeks of November there will be an amnesty on fines and overdue books may be returned without penalty, regardless of how long they have been outstanding, on any library day during the period.

BLUENOSE GHOSTS

by Helen Creighton

Here is a wonderful collection of stories Nova Scotians like to tell when long shadows haunt the

countryside. Quite hair-raising and convincing, these "ghost stories" deal with premonition, buried treasure, phantom ships and a host of other spine-tingling phenomena often based on personal experience.

AIRBORNE FROM EDMONTON

by Eugenie Louise Myles

Here we have the romance of the skies — as exciting as it is true. This is the story of how Edmonton, once a remote frontier city in Northwestern Canada, became the aerial crossroads of the north in a new age of air discovery and air commerce. Here, too, is an account of the pioneer pilots, whose dreams were to be realized a thousandfold.

THE RED SERGE

Stories of the Royal Canadian Mounted Police

by Harwood Steele

Blending high adventure with authentic historical backgrounds, Harwood Steele spins sixteen exciting yarns about the R.C.M.P. Written by an expert on how and why "the Mounties always get their man."

BRIDGE OF SAND

by Frank Gruber

Frank Gruber's most unusual suspense story is about a man who changes his identity, becomes a scholar in Biblical languages, journeys thousands of miles to join an archaeological expedition, is willing to accept even the most minor job of digger before he becomes a philologist, works in an atmosphere of hostility, extreme rivalry and intrigue which leads to murder — all because for over 20 years he wanted to kill one man and he knows that the way to destroy that man is through his profession. It is a wonderfully exciting story, thoroughly readable entertainment against a truly exotic background, by the old master of suspense.

FIFTY PERCENT OF LOCAL FIRE CALLS FALSE ALARMS

A recent accident in Edmonton involving a fire engine and a car resulted in one death and several injured firemen. The cause? A false alarm!

It is only by the grace of providence that a similar story hasn't unfolded here in Griesbach. The statistics here indicate that a minimum of 50% of all fire calls recorded are false alarms. With such odds, it's a better than 50-50 chance that a similar accident will happen here. When it does, the entire populace will rise in wrath demanding something to be done about it. Up to then no thought will be given by the individual parent that the responsibility is

theirs in not training their youngsters in the danger involved in playing with the fire box.

The realization of the liability of the parent or an adult offender should help prove a major deterrent.

In Canada the offence of giving or sounding a false alarm of fire is dealt with under Section 378 of the Criminal Code and the penalty provides a fine up to \$500.00 or six months imprisonment in default of fine OR BOTH FINE AND IMPRISONMENT.

As is so often the case, it's the innocent party that pays. That it should be the price of a life makes one wonder — if the punishment fits the crime, should it be imposed more often?

Scholarship Awarded to Griesbach Student

One of nine Dr. W. G. Kerby Scholarship Awards in the Province of Alberta based on the Grade 9 Departmental Examinations, has been received by a Griesbach student, Robert Roy Buckley, Junior. This marks the first time the scholarship has been won by a Griesbach student.

"Rob" Buckley is now a Grade 10 student at Queen Elizabeth High School and recently received the Griesbach Association Scholarship for attaining the highest marks for male students of No. 1 Griesbach School in the Grade 9 Departmental Examinations.

He is President of the Griesbach Observers Group, and is a member of the Edmonton branch of the Royal Astronomical Society. Rob

is also active in the Cadet Corps sponsored by the PPCLI. He is the son of Major and Mrs. R. R. Buckley, 15012 - 101 Street, Griesbach Barracks.

FLASH!

It has just been announced at press time that Robert Buckley has won the Governor-General's Bronze Medal for the highest standing in the Sturgeon County and Edmonton Non-Divisional School Districts in the Grade IX Departmental Examinations. Presentation of the medal will be made at a later date.

The Bugle has learned that the Scholarship will be presented during a luncheon at the Corona Hotel on November 14.

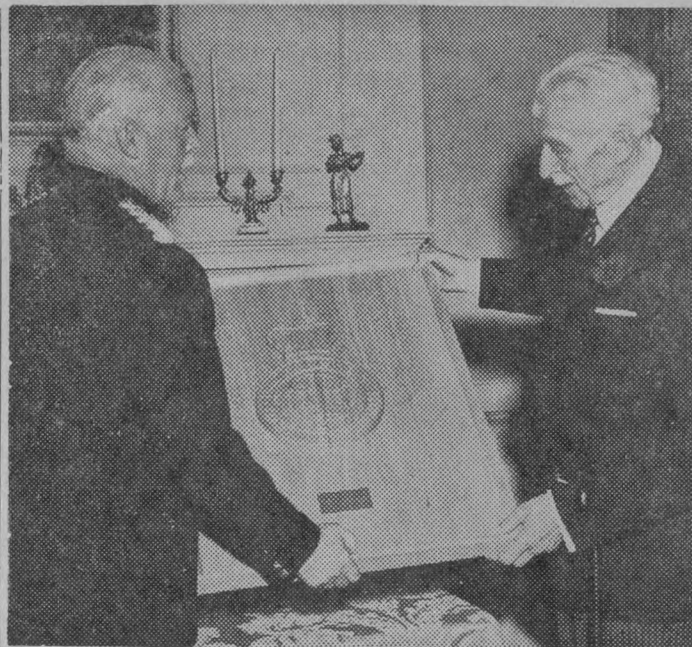

Swim Programme Success

Seventy children registered for Swim Classes on Saturday mornings; 56 Beginners, 8 Juniors, 4 Intermediates and 2 Seniors. Even though the first classes began at 9:00 a.m. getting both parents and children out of cozy surroundings, the turn-out was excellent.

The children not only receive swimming instruction but are educated in sound Water Safety knowledge and are taught how to react to emergencies.

Many parents were late requesting registration. Due to the large response, we are sorry that it was impossible to accommodate them.

Exchange Gifts

Maj.-Gen. Cameron B. Ware, left, Colonel of the Regiment of the Princess Patricia's Canadian Light Infantry, presents a plaque to Governor-General Vanier, Colonel of the Regiment of the Royal 22nd Regiment. An exchange of gifts took place October 15th at Government House between The Royal Canadian Regiment, PPCLI and the Royal 22nd. These three regiments are linked in mutual comradeship since they were the only permanent force infantry regiments in the Canadian Army prior to the Second World War. The Royal 22nd and the PPCLI are commemorating their 50th anniversary this year.

Noted Doctor to Address PPCLI Ladies

The PPCLI Jubilee Wives' Club meeting will be held in the P.T. Lounge, November 2, at 8:00 p.m. sharp. There will be a business meeting until 9:00 p.m. There will be a speaker afterwards, Dr. D. Ringrose, F.R.C.S. (C), a leading gynaecologist of Edmonton, who will speak on the topic "Population explosion here and abroad". Ladies not members of the club are cordially invited to hear this lecture, and members are urged

to bring a guest or guests, so that we may have a good turn-out for such a distinguished speaker. There will be a question and answer period after the lecture which will last approximately a half hour ladies may bring paper and pencil for this purpose.

The ideas and opinions of this or any other speaker are not necessarily the ideas or opinions of the executive or the committee concerned.

RECEIVES FELLOWSHIP AWARD

Robert A. Gardiner, son of Cpl. and Mrs. G. J. Gardiner, 10123 - 141 Ave., Griesbach Barracks, has received a Teaching Fellowship at the University of Illinois, in Urbana, Illinois.

He attended High School in

Shilo, Man., and obtained his 1st year of University Training at Brandon College.

He graduated this year from the University of Alberta with 1st Class honours in Honours Chemistry.

17 ROD Social Club Elects Officers

The 17 ROD Social Club held its annual general meeting in the cafeteria on September 25.

Mr. Dick Rajotte, chairman of the Nominating Committee, conducted the election of officers for the 1964-65 season.

Mr. Larry Selland, popular member of the warehouse set, was declared President by acclamation. His assistants were elected as follows. Secretary — Mrs. A. Vet and Treasurer — Mr. Bob McLure.

Lt. F. Sargent, Admin Officer, and WO2 J. Erskine, continue their appointments as Supervising Officer and Vice-President respectively.

Queen Contest

The Edmonton District Council of the Civil Service Federation of Canada is sponsoring a Popularity Queen Contest.

Miss Albina Weisgerber, a member of the N.D.E.A. Association, has been selected to represent the Department of National Defence (Army), Griesbach Barracks.

A small group of supporters formed an entertainment group that performed at the various messes and canteens throughout Griesbach Barracks. This entertainment took the form of singing, jokes and acrobatics which was well received.

The winner will be declared by the number of tickets sold.

This is the first time the Army has had a candidate. So we ask your full support, in order that the Crown may be brought to this Headquarters. Please buy tickets.

Pictured above is Miss Albina Weisgerber, Griesbach's entry in the Popularity Queen Contest sponsored by the Edmonton District Council of the Civil Service Federation of Canada.

Miss Weisgerber is an attractive brunette who stands 5'5", has brown eyes, a pleasant personal-

ity, and favored our cameraman with a delight smile.

The Queen will be determined by the number of tickets sold in the contest which ends Nov. 3. The crowning will take place at the Armistice Ball Nov. 6, at the RCAF Recreation Bldg., Kingsway Avenue, Edmonton.

We Love Her, Yeah! Yeah! Yeah!

Jerry Collins is shown at the extreme left finishing her acrobatic act as Alissa Marles, MC at the mike, introduces the "Beatles" in the person of Marion Hickford, Ronnie Hillman, Bonnie Gunn, and Alice (Ringo) Rewniak. In the background is Sgt. Bob Smith with his guitar.

This talented group has entertained at various messes and canteens in support of Albina Weisgerber, Griesbach's entry in the forthcoming Queen Popularity Contest.

RAMBLING

with Henry Owen

There's a new pill on the market, and according to the sepulchral voice describing it over TV, it's just the thing for the pain that "really hurts".

Hurray for science- After sitting spell-bound through the commercial, I could hardly speak. I was choked with pride in our medical profession and a vision of Louis Pasteur and Jonathan Salk bent over test tubes appeared before my eyes. "I've got it", one shouted and held up a little white pill for his colleague to see. "It's for the pain that really hurts", he whooped before collapsing over his work bench in exhaustion.

It was extremely difficult to restrain myself from jumping up and immediately dashing off to the local pharmacy for a supply before they ran out. It was a momentous discovery, from my point of view, because over the years, folks, I've had a few pains, and without exception, they all really hurt. Mind you, I'm not sure I would have noticed one if it didn't, being not quite so keen as some people.

But no matter, for now I am enlightened. Into the trash with those other pills that are acclaimed with such obvious flim-flammeery. No more will I be fooled by that pain-wracked fellow who pops a pill in his mouth and in one rotation of his swivel chair is all smiles and chuckles again. No sir. He was just spoofing. His pain didn't "really hurt" at all.

You see, one discovery leads to another.

Firemen Set Blaze — And Put It Out

by Larry McLeod

Smoke began to pour through a window and a door of a wooden frame building.

In a few seconds the eerie orange glow of flame could be seen reflected from a wall inside the structure.

Within minutes the building was a mass of raging flames.

It was a two-alarm fire but it differed from other house fires — fourteen firemen were on hand from the moment it started.

This was the situation Saturday afternoon, October 3, when Griesbach firemen battled a blaze in a roughly and temporarily constructed building for a Fire Prevention Week demonstration.

The first alarm saw the 1834 vintage pumper respond along with five clowning firemen who did everything from mowing grass around the building, to feeding gasoline on the flames. For sev-

eral minutes the fire was allowed to continue its destructive course. The old brigade then decided to sound the second alarm.

Then came the attack of the shiny new Army Fire Services pumper.

The dark figures of two rubber-coated firemen of the Griesbach Fire Department could be seen approaching the building. They began to play a foggy spray from their fire hoses on the building.

Firemen Win

As dramatically as it had started, the heat was reduced and the flames almost extinguished. Technically, the firemen had scored a victory.

But the crews didn't reel up their hoses and return to the station. They ignited a fire in a concrete pit containing an oil-covered pool of water used in demonstrating liquid fires. This resulted in a heavy pall of black smoke and orange flame with intense heat.

Foam was used as a technique in fighting this oil fire and with a few wide sweeps of the hose the bright flames and pitch black smoke were smothered by foam and replaced by white steam.

Griesbach Fire Chief, Arvid Hauglum said the aim of the event was to illustrate the effectiveness of the well-known technique of

using a "drizzle-like spray" in a fog attack on house fires, and foam on liquid oil fires.

The demonstration has drawn enthusiastic raves from those in attendance and a large number of amateur photographers got some excellent shots and movies.

Namao Ladies' Golf Wind-up

Although the weatherman was mean the 'Golfers' have put another successful season behind them. An Invitation Tournament held in July, had visitors from the 'Fort', Redwater and Leduc with the latter taking the honours. The patio table and umbrella raffled by the Ladies' Club, was won by Corrine Lucas.

Ringer Tournament saw a good entry of Club members, winners were as follows:

- 1st flight — Edith Wotherspoon
- 2nd flight — Maureen Davis
- 3rd flight — Edith Cramm
- 4th flight — Betty Rose

Club Championship was held the latter part of September with the girls flighted according to H'Caps.

Championship Flight — Edith Wotherspoon

- 1st flight — Terry Brooks
- 2nd flight — Maureen Davis

3rd and 4th — Mona Kowk and Marg Osborne.

Thanks once again to Mr. Nimmo of Universal Household Movers for the Club Championship Trophy, very much appreciated. Also to W/C E. Hurlburt who presented trophies and prizes to the winners at the Club House September 29th.

A lovely wind-up party — lots of Chinese food and liquid refreshments so enjoyed by all. Your hard working executive got a big vote of thanks, without them all this would not be possible. Convening the season's tournaments handled so well by Lynne Hurlburt and Gail Lewis. The "Ladies' Club" presented a most needed coffee maker to the Club House.

All for now, see you in the spring.

17 ROD Holds Annual Golf Tournament

The 17 ROD Annual Golf Tournament for the Byers Transport Trophy was held at Lancaster Park, Namao, on September 30.

Sgt. Gus Thuillier, assisted by Cpl. J. Covey, master-minded the successful affair which attracted 34 ardent club swingers. Early starters enjoyed the normal Alberta sunny weather but the later ones ran into cloudy skies and high winds which played havoc with the long drives. The change in weather did not appear to deter the enthusiasm of our courageous participants who displayed dogged determination in pursuing the little white ball around 18 holes.

Winners were decided on the

Galloway Handicap System which as everyone knows, is a boon to the now-and-then golfers. The results were:

Byers Transport Trophy — Mrs. M. Smith

Low Net (Men) — Staff W. Johnston

Low Gross (Men) — Cpl. C. LaLiberte

Low Gross (Ladies) — Mrs. J. Atherton

Most Ardent Golfer — Staff G. Neale

Lt.-Col. S. E. Hunter presented prizes to the winners on October 8th and introduced a special prize for the best "spiral shot" to Staff Neale.

Griesbach Badminton Club

The Badminton Club has been in operation for four weeks now but the turn-out has been low. This problem has been attributed to warm weather, and new arrivals in Griesbach.

To the new arrivals a cordial invitation is extended to become members of the Griesbach Badminton Club.

The Club is divided into Senior and Teenage Groups, and holds weekly meetings in the PPCLI Depot PT Building. The teen-agers hold their meetings on Wednesday evenings between 6:00 and 8:30. Membership is \$1.00 per year. The Seniors hold their meetings on Tuesday evenings between 7 and 11 p.m. Membership is \$1.25 per year.

The Club has plenty of racquets for those people who are without one; birds are also supplied at no cost.

The Club now has a total of six courts.

In the past years the Club has maintained a close association with a number of Badminton Clubs in the area, RCAF Station Namao, RCMP St. Albert, and the Town of Namao. During the season inter-club invitations are extended.

The Griesbach, RCAF Station Namao and the Town of Namao Badminton Clubs compete yearly for the Sturgeon Lake District Badminton Shield.

As has been indicated, the space, the equipment and the competition is available for those who are interested.

Griesbach Ladies' Curling Club News

The Griesbach Ladies' Curling Club started the 1964-65 season with a general meeting on October 14th, when many new members were welcomed to our ranks. The actual curling started with a Clinic for beginners on October 23rd, followed by a social gathering for all members.

Excitement is running high over the Reliance Bonspiel planned for November 20-21. For many, this will be their first bonspiel and the thrill of winning their first curling prize. We appreciate the support of Reliance Moving and Storage Co., who donate the main trophy and make the Bonspiel possible.

Any Griesbach ladies interested in joining the Club should contact Mary Digweed, President, 474-6815 or Lois Davidson, Secretary, phone 479-6634.

Curling Notes

Once again the "roaring game", curling, has slid into these columns. And by press time, all leagues and recreational curling teams should be swinging and sweeping.

Fine, mid-October weather this year has made ice-making a slow process: finding is usually done in the small hours of the morning under the direction of Mr. "Luke" Lucas, our genial manager re-appointed for another great curling year. Club-house renovations and new paint jobs have been completed to brighten all areas; only one or two minor details, which will not affect your game, remain for completion. An example of these: purchase of rubber backstops to cushion those rocks which might be more than "back ring weight" — or how many "take-outs" did you miss last year?

The usual pre-season meetings have been held for the sake of review and re-org! These have also helped to introduce new members to "old retainers" and have brought forth some valuable new ideas for committees to work out the details.

At a general meeting of the Griesbach Curling Club, held at the rink on October 7th, the executive committee was introduced as follows.

- Lt.-Col. J. G. MacMurdo — President
- Major E. C. Cipsbie — Vice-President
- Major R. R. Richardson — Treasurer
- Captain P. Gorrie — Secretary
- Sgt. C. G. Thomas — Asst. Treasurer
- Mr. H. A. Lucas — Manager

Club leagues and schedules have been arranged:

Monday — OR's Mixed — 6:45 and 9:00 p.m.

Tuesday Griesbach Ladies — 9:30 a.m.

Recreational Teams — 12:45 and 2:45 p.m.

Men's "A" League — 6:45 and 9:00 p.m.

Wednesday Recreational Curling (PPCLI) — 2:45 p.m.

Business Girls — 5:00 p.m.

Men's "B" League — 7:00 and 9:15 p.m.

Thursday Recreational Curling — 12:45 and 2:45 p.m.

Men's "A" League — 6:45 and 9:00 p.m.

Friday Griesbach Ladies — 1:30 p.m.

"Teens" League — 4:45 p.m.

Saturday Club & Unit Spiels — Open rental from 3:00 p.m.

Sunday Officers' Mixed — 1:00 and 3:30 p.m.

So, for now, Skips and Vices, protect your hacks; hope you all get your weight down soon.

Griesbach Golf Association

The Griesbach Golf Association is now finishing a very active and interesting season. There were about 375 paid memberships. Despite adverse weather conditions for most of the summer, a satisfactory volume of playing tickets were sold by the Association to the members.

Monthly tournaments were well attended, participation varying from 60 to 100. With both handicaps and the Galloway handicap system, the prizes were well spread out among the members, both expert and novice.

The Riverside Golf Course, where all the Golf Association play was held, remained in excellent condition throughout the season. Although not too difficult a course, it provides an interesting challenge to any golfer.

This year, two four-man teams represented Griesbach in the Area Championships. Low-Net Trophy was won by Sgt. H. K. Grouette, 2 PPCLI, and one local team was runner-up in the team competition.

The Griesbach Golf Association were hosts for the Command Golf Championship 30 Sep - 2 Oct. 64.

This was won for the third consecutive year by Alberta Area. Members of the winning team were.

Lt.-Col. J. Cardy — HQ Western Command

Lieut. D. Seabrook — 13 Coy RCCEME

Sgt. K. Kliewer — 2 PPCLI

Sgt. K. Loeb — PPCLI Band

Sgt. E. Petch — LdSH BAND

Sgt. R. Tuttle — HQ Alta Area

A golfers' Ball was held in the PT Building, Hamilton Gault Barracks September 26, with dancing, refreshments, and the awarding of prizes. Members of the golf teams from the other Areas in Western Command who were in Edmonton for the Command Championships, attended as guests. The annual Golfers' Ball is proposed as a suitable finale for future golf seasons.

The Golf Association has been useful this past year in introducing many new players to the grand and ancient game, and good competitions at moderate cost to the numerous dedicated golfers of Griesbach.

GALA BAZAAR November 7

Throughout the city and the surrounding area, the harbingers of the fall season are all in evidence — with one exception. Griesbach has the keen distinction of adding one of its own.

Accompanying the smell of burning leaves, the hint of frost and the application of storm windows, is the unobtrusive click of knitting needles, the whir of a sewing machine and the pungent odor of steamed Christmas puddings, home made candy or freshly baked bread and rolls.

These latter additives are the fore-runners of the annual Fall Bazaar and Tea sponsored by the Women's Auxiliary of St. John's Chapel. Their efforts, these past weeks, will culminate into one of the most colorful and diversified display and sale of home-made articles. Gift ideas for the coming Christmas Season are represented at every stall: hand-knits of British woolens for every member of the family; a galaxie of "aprons with a difference"; assorted and boxed candies; a special gift table for tots, teens and adults; stuffed toys; luscious green house plants and the ultimate in home-cooking, jams, jellies and preserves.

A highlight of the coming bazaar are the specials featured at the Children's Table. Scores of items priced at 25c or less will enable the younger set to purchase a maximum range of gifts for a minimum fee.

Hot dogs and pop, too, will be available to those who prefer sustenance more substantial than the tea room offers. This feature is subtly designed to entice the male counterpart, who, though, deserving and generous in their support, are urged to attend the grand premiere of the efforts from the distaff side.

Tea tickets are available for 35c, children under 12, accompanied by an adult, 15c.

Doors open at 2:00 p.m. in the auditorium of No. 1 School. Mrs. G. C. Leech will commence pouring tea at 2:30 p.m.

We'll see you there. The DATE — SATURDAY, NOVEMBER 7.

A GIFT SUGGESTION

Send your friends a gift subscription starting with the Christmas issue which will be mailed in time for Christmas. Special Christmas offer good until December 16, 1964, three separate 1-year subscriptions for \$2.00.

Canada Savings Bonds

1964

EASY TO BUY

You can buy Canada Savings Bonds for cash or on instalments. Buy them on the Payroll Savings Plan at work—or at banks, authorized investment dealers, stockbrokers, trust or loan companies. They come in denominations of \$50, \$100, \$500, \$1,000 and \$5,000 up to a limit of \$10,000 per person.

SIMPLE TO CASH

You can cash Canada Savings Bonds anytime at their full face value plus earned interest. When ready money is required all you have to do is complete the redemption form on the Bond, and present it to your Bank. You will receive your money immediately.

GOOD TO KEEP

You get interest on Canada Savings Bonds on November 1st each year—4½% for each of the first 2 years; 5% for each of the next 5 years and 5½% for each of the remaining 3 years—giving an average return of 5.00% a year when held to maturity in 10 years.

(BY WO2 JA ERSKINE)

Bob Olson was happy to escape from the clutches of the "probers" and "reflex" technicians at the University Hospital where he recently underwent a series of tests for 12 days. Bob is still trying to figure out how a person is supposed to eat when he is lying flat on his back.

Congratulations to Mrs. Pat Ripplinger on the new arrival of a son last September.

* * *

Should perchance the depot stocktaking eager beavers discover a step-ladder, paint, roller and accessories missing at the next count, they are not to accuse Dick Rajotte as being the culprit. He won them fair and square in a raffle held by a local lumber company.

* * *

Lt.-Col. A. Millne, who was appointed Command Ordnance Officer vice Lt.-Col. R. D. Watson in August, dropped in for a recce on Oct. 6.

* * *

The past month saw a flock of our fellows on courses which should benefit their careers. Cpls. G. Pringle and T. Rixon headed for the RCOC School in the middle of October for a Sr. NCO course.

* * *

Ptes J. Burns, C. Gregory, B. Lidemark and R. Osborne tucked their equipment into duffle bags and slipped off to Camp Wainwright on October 5 for a 2 month Jr. NCO. Course.

* * *

Captains G. P. Gedge and A. V. Read, and Lt. RB. Stasiuk also

left during the month for Montreal and the Corps School to tackle officer qualification exams.

BELATED FAREWELL

Cpl. Kenny Moar, who used to toil so diligently for Sgt. Rude in our Orderly Room, has now officially been "absorbed" in the new Edmonton Administrative Wing. We hope he'll continue to look after our interests.

The ROD's Bowling League still needs new players due to the exodus of personnel on courses etc. Anyone interested should contact Cpl. Melanson.

Speaking about bowling did you hear about the experienced bowler who was teaching a "friend" the fundamentals of the game and gave out with this instruction:

"Don't try to get all the pins down with one ball or else you'll be cheated out of throwing the other 2."

* * *

Officers and WO's and Sr. NCOs got together in the Sgts. Mess on October 2 to bid farewell to Sgt. Ken Halversen who was posted to the Calgary Det.

* * *

The welcome mat is out for those lucky people recently posted to the Calgary Det. No doubt Capt. E. D. McRae, WO 2 Mac Crush and company are happy to return to the fold after many years of detached duties as unit QMs.

* * *

The unit, military that is, held its annual range classification at Winterburn Range on October 5 and 13. The absence of wild life was quite noticeable — probably because of the presence of well-known RCOC marksmen like Sgt.

Webb and company.

* * *

On Oct. 8, the CO presented 30 Certificates of Service to those civilian members who have completed 10 years employment at 17 ROD.

He expressed both his and the Corps' appreciation for their devotion to duty over the past years, and added his own personal congratulations.

After visiting the local dentist factory on a rebuilding program, the writer is convinced that when someone says: Dr. Extract is looking down in the mouth today, it's a fact.

Lsgt J Jamison and Pte K. Greenley have been undergoing treatment at Col Mewborn's hotel and are reported doing nicely.

The CO accompanied by Major HR Haines and Mr. CL. Watson completed a swing around the southern circuit this month visiting Militia Units in Calgary, Lethbridge and Medicine Hat.

A Supervisory Training Course was held during Oct. for civilians and Jr. NCOs, the course was conducted by the Controller.

Cliff Snider, long a stalwart in the inspection section, accepted an upgrading and left for the Department of Citizenship and Immigration on October 19th. Ont. was with us since 1956. His former buddies, while sorry to see him leave, wish him success in his new position.

RQMS Tommy Carlyle - Bell of HQ Western Command QM Stores has joined our ranks but will remain with HQ for the time being.

Air mail letters and air parcel post (via Box 220 Saigon) — must be posted not later than November 30, 1964.

Special Airlift — arrangements have been made for the shipment by air of one parcel to each member of the Canadian Delegation to Indo-China. This service is available to next-of-kin only and instructions will be sent to all concerned.

Particular care should be taken to ensure that all mail for Canadian Forces Overseas is properly addressed and fully prepaid at the authorized rates of postage. A customs declaration form 91B must be completed and affixed to all parcels.

OVERSEAS CHRISTMAS MAILINGS TO CIVILIANS

With the Christmas period approaching, the Canada Post Office urges the public not to delay posting parcels to friends and relatives overseas. The public is cautioned to mail as early as possible. Last minute postings, if general, might render it impossible for the Post Office to find sufficient accommodation on the last steamers leaving in time to ensure Christmas delivery.

Nothing has brought home the value of the monthly contribution to the Griesbach Association more than the High School Book Rental Plan did when schools reopened this fall.

Reports from various council members indicate they were plagued by phone calls from some residents wondering how they could get on the gravy train. They had never contributed to the community coffers before, but now that they could receive something for nothing, they wanted in.

It's unfortunate that such an attitude exists where the band wagon must be put in motion by someone else before they go along for the ride. However, in this instance alone, the value of the small contribution has proven its worth tenfold. The possession of a membership card in the case of most families with high school children provided a saving of a minimum of \$50.00 through the High School Book Rental Plan.

Are you a card carrying member?

EDITOR'S NOTE: The High School Book Rental Plan operated by the Griesbach Community Council does NOT apply to students attending O'Leary High School. This high school maintains its own rental system. Nevertheless a survey showed that these students' parents were all contributing members of the Griesbach Association.

NUTS & BOLTS

By Sgt. S. Wells

Well here it is time again to spread a little more news of the happenings of and around No.224 workshop. First, I would like to extend a welcome to the following newcomers. Sgt. Bob Bunning of RCOC who is replacing our old friend Bernie McLellan in the SPSS, and fitting right in like an old hand. Then we have Mrs. Helen Daly who replaces Mrs. Fran Evans and Mrs. Pepper Schultz who replaces Miss Kathy Mott. Both these charming ladies are now employed in 13 Company RCME Orderly Room.

I would like to take this opportunity now to give an honorable mention to our lads in the Weapons Shop who put out a great effort for the Hunters' Program at Winterburn Range during the week of 21 to 27 Sept. 64. I would like to quote two letters written in the Edmonton Journal:

"Aid For Hunters

Sir: Please let me express my appreciation to the Department of National Defence for their opening the Winterburn Rifle Range for sighting last week.

We were met by courteous army personnel who made us feel at home in the somewhat unfamiliar surroundings of a rifle range. Along with nine other nimrods, we were instructed in basic safety rules and submitted to army discipline while firing our rifles. Expert assistance was provided by armourers as we adjusted our sights and scopes.

It is good to anticipate that hunting expedition with an accurate rifle and with the confidence of what a sergeant referred to as "a meat on the table shot."

Percival R. Henkelman

76th Avenue

Defence Commended

Sir: I wish to commend the excellent decision by the department of national defence to provide the Winterburn Rifle Range facilities for big game hunters' use to sight in their rifles. This was a move long overdue and I sincerely believe no self-respecting hunter within range will fail to take advantage of it.

I might also add that the army personnel in charge of this program are doing a very creditable job and it is to be hoped that they will be allowed to perpetuate this favor to the hunting fraternity in future years.

119th Avenue" N. Topolnyski
If they don't get their meat now fellas it's not our fault.

Congratulations go out to WO 2 Dick Storbo who just received the clasp to the CD, keep a plugging

Dick, only three more years to go.

Oops, sorry for the interruption here but I was just called out to witness the latest phenomena and lo and behold, guess what? The sun was shining again.

"Hold everything." I just got a flash from the Nerve Centre and it appears that Sgt. Cy McLean has come up with a baby girl, it sure was touch and go for Cy as to whether the baby came first or the moving van as Cy is leaving us for the Middle East. Pleasant journey Cy!

Our very ardent sportsman with the paunch, Lt. D. Seabrook, has a trophy for low net in the Alta. Golfing Tournament. Congrats Dave, and keep up the batting average.

I would like to point out at this time that RCME is not only ready at all times technically, but also physically, as may be witnessed by all and sundry at 1615 hours every afternoon when you can see our Combat OC doing the quarter mile around the Workshop Compound, dragging our Sgt. Major with him. Keep up the good work fellas; we are backing you all the way.

Once again we say hello and good-bye all in the same breath, to Ssgt. Ron Sales. Ron just returned from the Middle East and is posted to Camp Borden.

Sgt. Bill Laine, our Instrument man, has finally reached the downhill run as he has only 229 days left to go before he goes on civvy street. Happy auctioneering Bill.

Now that the duck season is in full swing and all the lads have been out shooting, we are curious to know if our friend Bill Hartle brought down his first duck with a shotgun or a 105 mm howitzer. Did you manage to find the little fella Bill?

I think a motion is appropriate here for the fine job of tutoring by Sgt. Robinson in preparing our personnel for their Group 4 Academic Assessment.

BOND DRIVE UNDER WAY

A Bond drive with a target of \$557,000 got off the ground here October 1 with Major A. Osland, Headquarters Alberta Area, heading a 6-week selling spree throughout Alberta Area ending in mid-November.

At an opening meeting in Griesbach Barracks some 22 salesmen representing all units in Griesbach were asked to canvas every soldier and civilian worker in an attempt to reach the maximum quota. Alberta Area reached 94% of its quota last year.

Major Osland said a great majority of soldier purchasers buy the Canada Savings Bonds on the installment plan. Equal monthly payments are deducted from the men's pay to make the bond buying easy.

13 Coy. RCASC News

(by Capt. E. V. Roles)

Thursday, October 15, was most eventful. The Cardinals won the World Series from the Yankees. Nikita Krushchev resigned. Edmonton elected a new city council and the Labour Party won the British election.

As a result of all this activity several earthshaking events on the local scene went unnoticed:

(1) It was payday and the pubs were closed.

(2) Captain Earl Digweed was somewhere en route to Cyprus.

(3) Your correspondent received confirmation of a proposed posting to UNEF Middle East, and lost the office pool with one out in the ninth inning.

(4) Sgt. Oscar Lacombe was packing his bags for Germany.

(5) WO2 Percy Yeatman lost the office pool with two out in the ninth inning, and

(6) Edmonton Transport Section had all four of their buses on the road at the same time!

We won't tell who won the office pool for the same reason we won't mention the name of the fellow who won \$1,000 at Bingo — too many wolves at the door — but congratulations to both of you.

Congratulations also and best wishes for a happy marriage to Joan Fernhout Rosendal of Transport.

Other recent events include the move of Lt. Paul Hooper from Cold Lake to take over the AO slot and the counter-move of Lt. Dick McManus to Cold Lake. Sgt. Hartley is also a regular on the needles-for-Egypt parades. Save me a blue beret, Al!

Lastly our best wishes go to Capt. Littlemore and Lt. Eraut currently struggling with Part II promotional exams down East. Good Luck fellows.

10 Det RCAMC News

By FIL. L. M. Flewelling

The summer months always seem to take and give a certain toll. The MIR has had its casualties and recoveries. On the lost side (and they were sent off with the traditional mugging parties) we had: Capt. A. Kidd — departed for 2 PPCLI; Sgt. Jack Nelson to civvy street; Cpls. Bill Luck and Don Spencer to Petawawa; Cpl. Bud Gilmore to Toronto via Churchill (last spring); Cpl. Frank Petry to Camp Adm Unit via Command Records; Ptes. Claude Favreau and Roger Marsh to Europe. The best of everything to everyone.

The unique situation of saying "Hail and Farewell" is happening to Capt. H. Symon. Capt Symon arrived from Whitehorse and is now stepping out into the mad, mad world of civvy street. The best to you and yours.

The welcome mat is stretched as far as the crying towel and standing on it we find Capt. L. Genesey who drove in from Montreal (and has flitted back a couple of times). The West has proved dull?

In the Orderly Room we welcome Cpl. Doug Jones who incidentally

didn't have a claim on his move. Doug. doesn't have to climb the stairs anymore to the Regional Surgeons Office. Cpl. Chuck Peacock arrived just prior to the summer months from Egypt and is now settled in PMQ's. Cpl. Don Gross & family wanted to see northern Alberta so were moved from Calgary. Ask Don about Edmonton traffic. Another southerner is Cpl. Larry Skalicky. Larry is now our chief pill counter, and B. C. Lion Supporter.

At our Namao department we find Cpl. "Mac" McDermott. "Mac" blew in from Churchill and is finding life real rough on "blue food." Assisting Cpl. Jones in the nerve centre is a new RCASC clerk by the name of Pte. Jim (Jamie boy) Campbell. Welcome to Kiddies' Korner Jim. To each and all may your posting here be just great.

To all new arrivals in Griesbach we should perhaps mention that Mrs. E. Wagstaff, our school nurse, can be reached at GR98411 Local 249, or through the MIR Local 381. The first Wednesday of the month (every month) is dependents' "needle day". All cases of contagious diseases (measles, etc.) must be reported to Mrs. Wagstaff, so don't hesitate to call. Just to confirm with those in doubt — No dependents' med-

ical supplies or prescriptions can be issued.

To leave on a friendly note, "Keep your PULHEMS up" — bye now.

"I" Cadre News

by Sgt. J. A. HENDRIE

Edmonton — Last year our unit sent one news letter to the Bugle. This year we are planning on increasing the output maybe even obliging it.

A lot of people don't seem to know exactly what the "I" Cadre does for a living. Sometimes we aren't too sure either but our main job is to advise and assist the Militia Units with their training programs. This detachment covers all of Alberta from Ponoka in the South to Grande Prairie and Fort Smith in the North with Whitehorse thrown in for good measure. So the next time you see a member of the Cadre at home when everybody else seems to be working don't feel too badly about your lot in life, he probably didn't get home until everybody else was fast asleep the night before.

Since our last column, we have had quite a few changes of personnel within the Detachment. Lt. Ric Latham has left us for Camp Galetown. He left a big part of shoes behind for his as yet unnam-

ed successor to fill. Best of Luck Rick. WO1 Stan Reading has been posted to 1 Cdn Sig. Regt. as RSM. He told us when he left that it would take at least three people to fill his shoes and so far we have had Sgt. Bell posted in from Egypt, Sgt. Hughes from the Congo and Sgt. Linkletter from Alta. Sig. Sqn. Maybe Stan had the last laugh after all. Lt. A. Vanderford is leaving sometime in November for the 1 QOR in Victoria where he will take over as Quartermaster. Sgt. Mell Melanson has left for Europe and that leaves Sgt. Jim Coates as the senior RCME Sgt. or it did until Sgt. Paul O'Shea arrived from Calgary. Though luck, Jim, WO1 Demmy has been posted in from Whitehorse where he spent the last couple of years. He doesn't miss the place at all. he was here a whole week before he went back for a visit. Hope you enjoy your stay here in the banana belt.

Lots of courses for personnel of this Detachment too. WO2 Morgan has just returned from Camp Borden where he spent some time on the First Aid Instructor Course. Says it was a snap. Any other good WO2 Gp 3A Medical Assistant should be able to pass it too. Sgt. Herb Kittle is going down South this month on course. He hasn't yet figured out why the railway reservations clerk hung up

on him when he asked when he he could get a train to Ozark Alabama. Sgt. Gord Woolard and Sgt. Gorge Wotta also left on course in mid October. Gord is on his Gp 4 course at the Arm'd Corps School and George is going to be a First Aid Instructor. Sgt. Jim Coates is boning up on his Math in hopes of his Gp 4 Tiffy Course this fall. Shouldn't be too hard as Jim has always been pretty good with the angles.

Not much else to say around here as everything is pretty quiet while awaiting further decisions concerning Militia Units. If we are still here next month will see you then.

BINGO

Griesbach Community Bingo is on again for the winter season with the first night being Wednesday, November 4 1964. Phone one of the reliable babysitters advertised elsewhere in this paper and take the evening off — more fun for one dollar than anywhere else in town. No. 1 School Auditorium at 8:15 p.m.

BABY-SITTING SERVICES

Those who are available for baby-sitting jobs are encouraged to use the Bugle's classified section to advertise their services and qualifications.

THE WATCH DOG BEAT

by S/Sgt. J. R. Wilson

In this issue of our paper your Provost Detachment would like to say a few words about a subject that never ceases to be of vital importance, ROAD SAFETY.

An interesting American survey conducted recently showed that 97% of all drivers considered themselves to be "above average" in driving ability. BUT are 97% of all motorists above average — like the person who thought water was good substitute for brake lining and killed his mother before he found out what was wrong.

Most road accidents in the main are not caused by weather or some influence, but by careless, senseless, law-breaking acts of people — for the most part average people.

The most surprised person at any time is the driver who finds he is about to have an accident. He cannot believe it is happening to him.

Indicated below are statistics prepared by the Travelers Insurance Company. A grim reminder of the constant need of road safety.

An ardent curler and sports fisherman. WO 1 Deans, his wife Jean, and son reside at 9723 - 137A Avenue, Edmonton.

Playing on Lawns?
NO!

Many residents have complained about the annoying habit of children playing sports in the PMQ areas interfering with clothes lines and damaging lawns.

Sometimes in the enthusiasm of a "scrub" game, little tots could easily be injured and lawns are damaged.

Parents must impress on their children that they are NOT to play on other people's lawns.

There is no objection to children using the many open fields in the Griesbach area, provided they are located a good distance from houses.

NOTICE

The Griesbach Sgts. Mess Ladies Club held their October 28 meeting in the form of a Halloween Masquerade Coffee Party to welcome new members.

The November 25 meeting will be the Christmas Party and the final one for 1964. Come out girls and support the Club.

All members extend wishes for the best of luck and a safe journey to Lois Steele and Mary Ferguson who have joined their husbands in Germany.

WARNING

Dogs are not to be allowed to run loose in Griesbach.

Many new residents perhaps are not aware of this rule or have overlooked reading PMQ Standing Orders. Imagine the chaos if every owner allowed their dog to roam freely in our community.

So to avoid unpleasantness, whenever you let your dog outdoors, make sure it is tied or on a leash.

And PLEASE, don't let your dog foul your neighbor's lawn.

BUGLE ITEMS REPEATED
IN HALIFAX MAIL - STAR

Thanks to newsman and columnist Harry A. Mitchell, many community news items appearing in the Griesbach Bugle, are often "picked-up" and repeated in the Halifax Mail-Star column "With the Services".

According to former Haligonian Sgt. Hal Nordin, now with HQ Alberta Area, Harry has been a regular Mail-Star correspondent for the past quarter century, covering news about the three armed services in the Halifax Garrison.

An Imperial Army Veteran himself, it is said that many an old-timer who had served in Halifax but is now living elsewhere, subscribes to the Mail-Star just to keep up-to-date with Mitch's column.

Harry, and his friends always call him "Mitch", has suffered from ill-health for the past 10 years, but the 83 year-old journalist still produces a newsy and cheerful weekly column.

Now it's possible that many former Griesbach residents living in Nova Scotia may read community news concerning activities and their friends out west in Griesbach.

Hats off, and a salute to Harry "Mitch" Mitchell.

HONEYMOON'S ORIGIN

The word "honeymoon" originated from an ancient custom among northern nations of Europe. It was the custom of newly married couples to drink wine made from honey for 30 days, or a moon, after their marriage.

A co-operative enterprise is one which belongs to the people who use its services, the control of which rests equally with all its members and any gains, earnings or profits, that may accrue are distributed to the members in proportion to the use they make of its services.

COIN COLLECTORS

NEW FOR '65 — A new effigy of the Queen will be on 1965 coinage. The new effigy will be an up-to-date version of the Queen wearing a diamond tiara. A wedding present from the late Queen Mary.

ODDITY — Keep your eyes open for a 1964 silver dollar with no legend on head side, and only few letters and no date on reverse.

RARE — Contrary to popular belief, the 1921 half dollar is not the rarest Canadian coin. It ranks about sixth. First place belongs to a coin of the famous Bouquet series of which there is only one known. Second would be to the 10 and 20 dollar gold pieces minted in B.C. during the Fraser River gold rush. Three known.

NEW DOLLARS — USA to mint silver dollars for first time since 1935. The design to be used will be the famous Peace design.

Garden Competition Final Results

Due to many gardens being damaged by early frosts, it was decided not to place the gardens in an order of precedence for September. Instead of the usual procedure the Committee selected those gardens in each class which had the highest overall standards for July/August/September.

The Committee would like to congratulate all householders on the high standards achieved during the year. The results are:

Class 3

PMQ 22, 183, 226, 243, 244.

Class 2 — Row Housing

L. A. A. SOCIAL EVENING

The Local Alexander Association sponsored a successful "Meet the Guider" evening recently in No. 1 School Auditorium. Convening was ably handled by Mrs. Harmer and Mrs. Williams. Arrangements of fall flowers decorated the tea table from which Mrs. R. Wilkes and Mrs. H. Wray poured. The L.A.A. would like to thank the Mothers of Guides and Brownies for their support.

The next meeting of the L.A.A. will be November 17.

Men still die with their boots on but one of them usually is on the accelerator.

PUBLICITY FOR YOUR GROUP

The Griesbach Bugle unit reporters have met and are now working to bring in copy and publicize their units via the "community news magazine".

If you are a member of a group not yet boasting a reporter to handle public relations and publicity, then see that one is selected. If you don't, your club activities may go forever unmentioned or applauded.

SHOULD WE ADVOCATE SELF EXPRESSION

By Sgt. Hal Nordin

The following account will be difficult to believe, and probably should not have been written for I feel that it will be read with tongue-in-cheek and written off as the figment of my over-worked imagination. But true it is, and having heard this story, I feel that it's only right to pass it on.

Just the other day, I found myself in conversation with a lady, whose name shall remain anonymous. This lady related, with an air of futility, the many talents of her four-year-old son. Some of these talents have been displayed since he was two.

Now, brace yourself, be not a sceptic, and follow with me this series of events in the life of a small four-year-old-boy:

One day while writing in the family car, young Garry became restless. He climbed out and promptly removed the air from all four tires while mother gathered groceries in the store just a few feet away.

Another time, he removed the freezer plug from the wall receptacle in the basement in order to check an old toaster. The freezer was off from Tuesday to Friday.

Again in the basement, he found the water shut-off, you guessed it, he shut it off, and left the entire household wondering why the taps wouldn't produce H₂O.

Once again while waiting at the car, he broke both headlight lenses — to get at the bulbs inside.

Smashed one pencil sharpener, to find out "how it worked." Emptied contents of a piggy bank down sewer opening in basement.

Consumed all the brown sugar from a kitchen cannister, and left cannister outside back door.

Opened all the basement windows, that he reached by using a chair.

From time to time he raids the preserves in the basement, and during these raids he attacks complete jars and skilfully demolishes them.

One night, while the household slept, dreaming peaceful dreams no doubt, little Garry redecorated several rooms. However, paint brush and roller were not his tools. Instead, he showed his versatility by using only a large bottle of ketchup and raw eggs. Needless to say, all were delighted with the end result.

Another time he snapped both viper blades off the car in an

attempt to "make 'em go by hand."

He also finds it more convenient at times to make exit from the house by climbing the bathtub, and from there through the window.

At other times he has declared "Squatters lights" by locking everyone out of the house.

This little guy never tells fibs, but brother, can he evade the truth. Even when he is caught cold turkey in the act — he'll blame it on his brother. After all, what are brothers for anyway.

Mother has a large catalogue to which she must refer regularly, well, at least she did before the little man decided to staple all the pages together. He eventually ran out of staples, otherwise he would probably have found other items that required his attention.

He played cards with his little brother in the basement one evening. While dealing out the cards, they all seemed to fall into that hole that leads to the sewer.

Of course all kids at one time or another crayon the walls. So did Gar.

Pulled out all the electrical wires that didn't look good

around the car motor.

Once again the car was his point of interest, when he jammed a small piece of metal in the ignition, causing mom and dad to walk home.

I am told that these are but a few of young Garry's endeavours — there are new ones every day. Now that you've read them, what do you think? The doctors say he has a very high IQ. Maybe Einstein did the same things when he was just a curious four year old. I think not, for it is said that while on his deathbed at the age of 76 Einstein was heard to say, "I've lived so long and accomplished so little."

I don't know how you feel, dear reader, but for me, I derive a great deal of comfort in the knowledge that in my house, there is not the least sign of a budding genius.

New Equipment

Canada's NATO brigade in Germany has received its first armored personnel carrier.

The carrier, known as the M113 A1, arrived at Dusseldorf airport aboard an RCAF Hercules transport aircraft, and went to the brigade's No. 4 Field Workshop RCME.

The 11-ton, tracked, amphibious and cross-country diesel-operated vehicle can transport 11 fully-equipped soldiers. It has a cruising range of 300 miles with maximum speed of 40 miles per hour, and is the forerunner of 300 such vehicles the brigade expects to be available for training next year.

With another armored personnel carrier scheduled to arrive soon, they will be used for preserva-

tive studies and maintenance training in preparation for the remainder of the brigade's allotment.

17 ROD assumes new role

The recent trend toward amalgamation of service outlets across Canada was piloted in Alberta Area. In September of this year, a detachment of 17 ROD was formed in Calgary to perform various quartermaster and ordnance services in that garrison.

The 17 ROD Calgary Detachment is presently commanded by Capt. E. D. McRae, CD, RCOC, former Quartermaster of the QOR of C Depot. The personnel required to staff the new detachment have been drawn from that unit, 17 ROD SPSS and other unit QM stores in the Calgary Garrison. In addition 17 ROD personnel have been sent to bolster the ranks.

The mission of the detachment will consist mainly of supplying and controlling expendable stores, including P & S, accommodation stores, clothing credit and spare parts to units located in Currie Barracks and Sarcee Camp.

This new concept of quartermaster services has already been developed in the Griesbach Area under the guidance of the Area Ordnance Officer, Lt.-Col. S. E. Hunter, CD, and is expected to produce a more efficient operation of providing ordnance services to units of both garrisons.

Appointed Dental Senior Clinician

Lt.-Col. Don Hillier, formerly Dental Public Health Officer in the Directorate of Dental Services, Ottawa, has assumed his new duties as Senior Clinician at No. 25 Dental Clinic, Griesbach Barracks.

Lt.-Col. Hillier, a native of Toronto, attended Parkdale Collegiate, Victoria College, and the University of Toronto, graduating in 1945 with the degree of Doctor of Dental Surgery. He attended the University of Michigan from 1949-50 where he received his diploma, Master of Public Health.

Lt.-Col. Hillier's military career dates back to 1945, and he has held various dental officer appointments at Camp Borden, 1 CIBG Germany. He is married with four children, and he and his wife Vivian, reside at 14615 - 89 Ave., Edmonton.

BROKEN GLASS

It has been noticed that many roads and grassed areas have a rash of broken glass and bottles.

Any culprit caught breaking bottles and leaving the broken pieces where people could be injured or tires ruined, will be severely dealt with by the police.

To avoid causing trouble and injury, do not leave broken bottles on roadways or fields.
